What is the Intergroup Office?

A central office (or Intergroup) is an AA service that involves partnership among groups in a community-just as A.A. groups themselves are partnerships of individuals. A central office is established to carry out certain functions common to all groups- functions which are best handled by a centralized office-and it is usually maintained supervised, and supported by these groups in their general interest. It exists to aid the groups in their common purpose of carrying the AA message to the alcoholic who still suffers.

Each group is encouraged to elect a group representatives to attend the monthly meeting. There are many committees carrying the message throughout our community. The support from local AA groups and individuals help to make AA work. Your continued efforts and contributions are allowing miracles to happens!!!

7th Tradition Financial

Contributions

"When we meet and defeat the temptation to take large gifts, we are only being prudent. But when we are generous with the hat, we give a token that we are grateful for our blessing and evidence that we are eager to share what we have found with those who still suffer." Bill W., The Language of the Heart pg 221

The Seventh Tradition states, "Every AA group ought to be fully self-supporting, declining outside contributions." For support, our Intergroup office relies on the contributions of its groups and individual members so the work of carrying the message can continue. Groups contribute monthly to Intergroup Office while individual members may contribute up to \$3000.00 yearly through the high fiver plan, memoriam, and individually. Support of your group demonstrates gratitude for sobriety and a willingness to share with the alcoholic who still suffers.
